

SCHOOL ANTHEM

We are privileged, we are proud,
To be IKVians, we say it loud.
With hearts full of love for our God above,
We work together to glorify this land we love.

Wisdom guides us every day,
In our alma mater's way.
We're kind, we're brave, we lend a hand,
Together we make a stronger land.

Helping others, standing tall,
Caring and sharing, we do it all.
We embrace each difference, every hue,
In IKV, our hearts are true.

Wisdom guides us every day,
In our alma mater's way.
We're kind, we're brave, we lend a hand,
Together we make a stronger land.

We're important, we belong,
In our school, we're ever strong.
With love and kindness as our aim,
We'll bring honor to IKV's name.

Wisdom guides us every day,
In our alma mater's way.
We're kind, we're brave, we lend a hand,
Together we make a stronger land.

IKV, we stand as one,
Our journey bright, our work begun.
With pride and love, we sing today,
IKV forever, come what may.
